CORE COMPETENCIES

Horsley Specialties, Inc. (HSI) is a full-service asbestos and lead abatement contractor headquartered in Rapid City, South Dakota.

With over 37 years of hands-on experience, HSI has become a leader in the asbestos abatement industry.

Horsley Specialties, Inc. has partnered with ISNetwork, Avetta, Safety Services, and DISA to assist in making safety our priority as a company.

DIFFERENTIATORS

Our personnel undergo extensive training and practice the latest techniques and procedures.

Subcontractors with long term relationships

Bonded and insured with a 1,000,000/11,000,000 general liability and excess liability policy.

We take pride in exceeding strict EPA and OSHA

Safety, health, and the protection of the environment during the removal is our number one priority.

Horsley Specialties is licensed and/or works in 14 states for asbestos abatement, mold remediation and lead stabilization/abatement.

We believe that there is no single generic approach that will meet every client's needs.

We have the ability to run several jobs at one time in several states with their current project managers and asbestos supervisors.

Horsley values the client's input.
